TOURNAMENT SCHEDULE - Saturday, October 8th

Location: McNary HS Stadium and Grass Field

Time: 1:00pm - 5:00pm, (1:30pm Opening Ceremony & 2:00pm Games Begin)

What is this event?

The **MVSC Mini World Cup** is an opportunity for our younger players in Kindergarten through 2nd grade to get a taste of the FIFA World Cup!! Each team will be assigned a country that they will represent in our event. Team assignments are on the last page of this document. Teams are encouraged to embrace and showcase their national colors and culture to show team spirit by creating posters, face painted flags, etc.. All teams will be given a banner to carry during the Opening Ceremony and to represent their country.

The event will start with all teams gathering on the grass Soccer Fields at McNary HS at 1pm. At 1:30pm the **Opening Ceremony** will begin with a parade of the teams around the track with the fans cheering them on in the stands. 2:00pm will be the **Kick-Off** where teams will play a minimum of FOUR **10-minute games**. Some teams may play five games, depending on whether or not they make the championship.

The turf fields will provide twelve fields of play where the teams will play 10-minute games with 5-minutes until the next game starts. We will be following a tight schedule of play. Spectators will be able to view the games from the grandstands and each game will be announced over the PA system. We will keep score and teams play their way to the possible World Cup Championship game where winning teams will walk away with gold medals. Runner-ups will get silver medals and all other participants will get bronze medals for participating in the World Cup event.

In the event of rainy weather, each team will be responsible for coordinating a team tent for players to keep their belongings and gear. The **team tents** will be located in the grass fields (JV/JV2 Fields) outside the stadium.

Tournament Rules:

Each game will be 10-minutes long for each age division. The team with the most goals at the end of regulation will be declared the winner. In the event of a tie, other statistics will be considered to determine the winner. All other MVSC rules of the game for each age level will be followed.

Each BRACKET will have groups of teams of the same age group. There will be round-robin play in each bracket, which will include at least FOUR games and then a championship game where the two top teams will play for Gold or Silver medals.

Due to the quick nature of each game, it is important that each team remains at the fields ready to play their next game. We have a dedicated “Team Area” for teams to wait together until their next game. See diagram below.

McNary HS Policies to Follow:

No food is allowed on the turf fields or on anywhere inside the track. This rule applies to all Salem-Keizer School District turf fields.

Staging Area & Team Tents:

Because teams will be remaining at the Soccer Complex for several hours, it is important that each team organizes with families to bring a tent canopy for the team. *Tents are only needed if the weather is rainy.* These will be set up for the day so that players/teams can have a place to store their belongings, snacks, water, etc. See the map below for designated tent locations.
