About MVSC

The Mid Valley Soccer Club (MVSC) is a recreational and competitive non-profit soccer club serving families in the greater Salem and Keizer areas since the early 1980's. Our aim is to provide families with affordable access to learning and playing the great game of soccer through our recreational and competitive leagues. We rely on a small staff and many volunteer coaches that make our club successful and in order to be sustainable and affordable, we are seeking additional community support from you.
